**REPORT of the INDEPENDENT AUDITORS
TO THE BOARD MEMBERS OF NELSON MANDELA TOWNSHIP FENCING CLUB**

Report On The Annual Financial Statements

We have audited the accompanying annual financial statements of Nelson Mandela Township Fencing Club, which comprise the balance sheet as at 31 December 2012, and the income statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's Responsibility for the Annual Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with generally accepted accounting practice. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organisation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organisation's internal control.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Qualification

In common with similar organisations, it is not feasible for Nelson Mandela Township Fencing Club, to institute accounting controls over cash collections from donations and fundraising prior to the initial entry of the collection in the accounting records. Accordingly it was impractical for us to extend our examination beyond the receipts actually recorded.

Opinion

In our opinion, except for the effect on the financial statements of the matter referred to in the preceding paragraph, the financial statements present fairly, in all material respects, the financial position of Nelson Mandela Township Fencing Club as of 31 December 2012, and of its financial performance for the year then ended in accordance with generally accepted accounting practice.

Emphasis of Matter

Without further qualifying our opinion above, we draw your attention to the fact that the entity's ability to continue operating as a going concern is dependant on the continued support of its donors and sponsors.

**ACCOUNTING POLICIES TO THE ANNUAL FINANCIAL STATEMENTS
for the year ended 31 December 2012**

ACCOUNTING POLICIES

The annual financial statements of the organisation are prepared in accordance with South African Statements of generally accepted accounting practice using the historical cost convention.

Cash and cash equivalents

Cash and cash equivalents are stated at their nominal value.

Taxation

The entity is in the process of applying for tax exemption.

Surplus from Operations

Surplus from operations is stated before investment income and finance costs.

Revenue Recognition

Donations and funding income is recognized when the organisation's right to receive payment has been established.

Trade and other payables

Trade and other payables are stated at their nominal value.

Property, Plant and Equipment

Plant and equipment are stated at cost less accumulated depreciation and any recognised impairment loss.

Depreciation is charged so as to write off the depreciable amount of assets, over their estimated useful lives, using the straight-line method, on the following basis:

Sports equipment	10 years
------------------	----------

The depreciable amount is calculated as the cost of the asset less its residual value. The residual value is the net amount that the entity expects to obtain for an asset at the end of its useful life after deducting the expected costs of disposal, if the asset was already of the age and condition expected at the end of its useful life.

The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in income.

NELSON MANDELA TOWNSHIP FENCING CLUB
NOTES TO THE ANNUAL FINANCIAL STATEMENTS
for the year ended 31 December 2012
